

## INDOOR USAGE, OPTICAL DISTRIBUTION FRAME, 19"/ ETSI RACK TYPE

### Construction and Features

- Optical Distribution frame for indoor usage and perfect solution for fiber optic systems with smart way of splicing/ patching
- Professional Cable management, extremely high packaging density – 42HU usable space for splice and patch sub-racks
- ETSI standard racks used to accommodate 19"/ ETSI rack type swing or fixed or drawer style Sub-Racks.
- Sub-Racks are fitted into the rack using rear mounting rails or alternative design is available
- Side channels are designed to hold cable clamps for the routing of cable fibres
- Constructed for arrangement of Patch cord Storage Drums ( Straight) for the over-length management of the patch cords.
- All panels are removable and allow full access to the rack and accessories during installation or maintenance.
- Can be used in a cascade layout; either side by side or back to back.
- Locks are available for restricted access to the rack upon request
- Cables are inserted from the top or the bottom and bend radius control throughout the frame
- Construction parts are 1,5 mm steel sheet , side & back panels are 1 mm steel sheet, front door is 1 mm steel sheet.

### Standarts

- Mild steel metal parts with RAL 7035 painting
- PC ABS plastic parts are FR and comply with UL 94-V0 flammability standarts
- IP 54 protection level
- To comply with the relevant sections of: IEC 297-2, ANSI/EIA RS-310, DIN 41491-1 , DIN 41494-7 ,GR -63 CORE, VDE 0100 T540

### Dimensions

Height : 2200 mm  
 Width : 900 mm  
 Depth : 300 mm  
 Weight: 82 kg ( Packed )

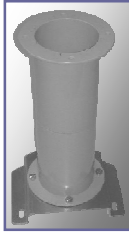

### Kit Contents

- Main frame with front, rear and side doors x1 set
- Connectorised earthing cable assy. x 1 set
- Straight patch-cord storage drum x 4 sets
- Cable fixing bracket kit x 1 set
- Patch cord guiding plate kit x 5 sets
- Plastic spiral transportation tube x 10 mt

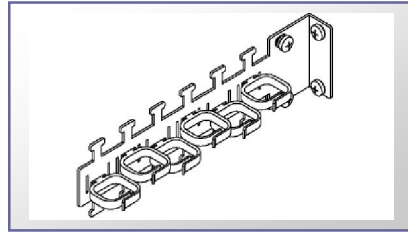

### Applications

- Exchange, primary distribution points
- Customer's premises
- Central Offices
- Telecommunication equipment rooms
- Weather-protected locations, such as building basements

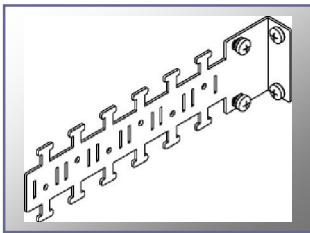

Accessoires

Straight Patch cord storage drum

Patch cord guiding plate kit supplied 6 x cable fixing plastic rings

Cable Fixing Bracket kit supplied with 6 x plastic cable ties

Plastic spiral transportation tube

**Note:**All kits are supplied with installation accessoires ( screws, nuts etc.) if needed
